Altitude 1,500 feet

Soil Stony, Clay mix and Volcanic Tuff

Vinification fermentation in stainless steel in contact with the skins for 10 days, then softly pressed

Aging 18 months in stainless steel tank

Production philosophy Certified Organic, Vegan Friendly

DESCRIPTION

Gerbino Rosso is a rich and sunny Sicilian blend that expresses its territory. The red blend is a harmonious expression of Syrah, Nero d'Avola and Merlot, which give balanced results. The grapes are harvested manually with a careful selection of the bunches. In the cellar, fermentation takes place in stainless steel with maceration for about ten days, then aged in steel. Gerbino Rosso has a dark, ruby red colour. Its elegant bouquet emphasizes Sicilian Syrah with notes of wild berries, plums, sweet spices and white pepper. Striking for its cohesion of elements, the wine is enlivened by a perfectly integrated minerality. A great every day red.

Color Ruby red

Aroma Forest fruits, plums, Mediterranean scrub and mineral scents

Flavour Mineral and fruity, pleasant, soft and with an excellent correspondence between taste-olfactory

AWARDS Oscar BereBene di Gambero Rosso
91 points International Wine Review 2019
